

## Rules for GellyBall

Waivers are required – 30 minute check in time at Party Suite to verify waivers and gear up. Participants must arrive for the pregame overview in Party Suite where they will have a video and detail of rules.

Age Requirement – 10 years old and up.

Safety First! – Participants are REQUIRED to have eye coverage on anytime they are on the playing field.

Feet first sliding ONLY – Participants may slide behind the barriers FEET FIRST only to avoid injury and damage to the GellyBall equipment.

NO FOOD OR BEVERAGE on the fields – Water bottles or Gatorade will be allowed in the Player Boxes ONLY.

Do not wear bulky clothing – Since this is not paint ball, we will not see a color if you are hit, so some of this game is an honor system and you need to be able to feel when you get hit.

BE HONEST – this is a game for fun, and being honest is the best way to play.

Teams will be picked from a random draw for fairness. If teams are unbalanced the referee will make changes to balance out the teams for optimal play.

All parties will consist of 9 rounds. After 3 rounds participants will reload their equipment, so be smart about your ammo, do not waste it.

After each round the teams will huddle and reset their side of the field for best strategic layout.

The Referee is the ultimate decision. If the whistle blows then play STOPS IMMEDIATELY while participants wait for the next instructions.

If violating any of the above rules or if displaying poor sportsmanship, the referee will either blue, yellow or red card a participant.

- a. Blue = Warning
- b. Yellow = Sit out for One Round
- c. Red = GAME OVER – participant will be removed from the playing field and not allowed to return to play.

**Most importantly HAVE FUN!**
